11. Chefs/Head Cooks and First Line Supervisors

Will discuss the remainder 11 careers at the next meeting.

UIP: Reviewed Power Point: Reviewed PowerPoint and a handout was provided
UIP Planning

- MIS#1 –Data Driven Instruction to prepare Learners for College and Career
- MIS#2 –Supporting English Language Learners.

- MIS#3 –Engaging Our Families and Communities.
- MIS#4 –Academic growth in math

ACT Data for class of 2016 –Averages - ACT required test for all juniors used by colleges as submissions. Reviewed scores for Reading, Math, English, Science, Composite based on:

- Plan
- Plan Benchmark
- Princeton review
- April ACT 2015
- Benchmark DPS, ACT

CEC is working on supporting students on the ACT by creating a culture of readiness

- emphasizing timed reading tests –test taking strategies
- Princeton review
 - Practice content
 - Strategies for tests
 - Additional practice tests
- Junior support
- 3 Teacher Leaders support teachers with Numeracy, Literacy, and ELA strategies

Data driven instruction is helping move students forward based on where they are by scores. The next test may take place around January and CSC will review the data again in January to compare how the strategies used are helping our students succeed.

Next Meeting: November 19, 2015 and December meeting is cancelled.

Agenda:

Major Improvement Strategies from UIP and focus on ELL student’s progression

Look at every career program at CEC based on enrollment, job outlook, and demand

- * 11Careers will be discussed next month and remainder 11Careers in December

The meeting was adjourned at 5:25p.m.
