What Happened & How

Approval of Minutes – October Minutes not available; will approve at the next meeting.

Superintendent/Parent Forum Update – Ivonne was unable to attend. We will wait until next meeting for this update.

SBOE Update – 5280 Challenge – we chose the Water Challenge and won 3rd place. The first 7 weeks were planning and we have until April to implement that plan.

Water Bottles – create a trade system for the students to bring in disposable plastic bottles to trade for re-usable water bottles

Think it up – December 8 – pitch idea and could earn money

Crossing sign on 26th and Eliot

Imaginarium

Turf – replacing grass with artificial turf—Denver Water is willing to help pay for this cost

CEC Gear – T-shirts and Hoodies with various designs. Teaming up with the Business Class

Service Trip – Teamed up with Grass Roots Global to create service trips for students to go to Baja, CA. They will show us how to get funding and how to connect with other companies to help fund the trip.

Possibly try to get an A to Z grant to help with this funding.

CTE Program Enrollment and Industry for 10-12 CTE Programs – Assessing all CTE Programs looking at industry demand, CEC’s enrollment trends, and Wages. Looking at both State and National industry demands and wages.

Discussion about funding – shouldn’t be an issue for the next couple of years while we have the grants in place.

Documents – Silvia will hold everyone’s folders for continued discussions

Mark Bell went over Labor and Wage Trends. PowerPoint attached.

Looked at nine CTE Programs: Automotive Technology, Fire Science and EMT's, Business (General Office Clerk and Office Supervisors), Audio Equipment Technicians and Sound Engineering Technicians, Bio Science (Clinical Lab Technicians and Bio Medical Engineers), Fitness Trainer and Athletic Trainer, Intro to Health Care, and Advanced Manufacturing (CNC Programmers and Industrial Engineers).

This labor and wage information comes from the Federal Department of Labor Website.

UIP – Handout. Discussion ensued about the UIP process and the handout.

PowerPoint – Distribution of Students by Language Learning Status. How many students in each grade are currently learning English, Previously Learning English, etc. The proficiency levels of the students in each grade level over all categories. Proficiency levels in Literacy in each grade level.

We are looking to redesignate 15 – 20 students in the ELL program. They can come back in the program if they need assistance.
